

# satinglas

A glass panel with one surface delicately acid-etched, providing semi-translucent properties that enhance aesthetic appeal by allowing greater light transmission compared to frosted, sandblasted, or patterned glass. Light transmittance reaches up to 90% (depending on glass type and thickness). Additionally, the surface is easy to maintain and highly resistant to fingerprint marks, water spots, and cleaning residue.

## Product Specifications

 Thickness  Size	<p>Recommended Size          Thickness Start: 6 mm.          Maximum Size: 3210 x 2250 mm.  <b>Remarks:</b> Although we can accommodate sizes outside the recommended range, please consult with us on a case-by-case basis. Production suitability and material availability may vary depending on current inventory and other specific requirements.</p>
 Colors  Opacity	<p>Opacity: 50%          Satin NFF, Satin NFF on LIG</p>
 Interior  Partition  Wall Cladding  Exterior  insulation	<p>Applications:</p> <ul style="list-style-type: none"> <li>• Interior Design Applications: Partition walls, Anti-slip flooring, Shelving units, Countertops, Furniture components. Enhanced functionality for bathrooms, shower enclosures, kitchen cabinetry, offices, and various other spaces</li> <li>• Exterior Applications: Building facade elements for solar radiation reduction, Versatile processing capabilities including: Tempered glass, Laminated glass, Insulated glass units (IGU) All maintaining semi-translucent properties</li> </ul>
 Production Lead Time	<p>The standard production lead time is 7 to 10 days. However, this may vary depending on material availability, the complexity of the processing required, and other factors that could impact the lead time.</p>

# satinmirror

A mirror with a delicately acid-etched surface that brings out a soft, satin-like texture. This elegant finish creates a subtle interplay of light and shadow, offering a sophisticated depth that sets it apart from standard mirrors. Perfect for adding a refined, distinctive touch to furniture fronts, the SatinMirror transforms any piece into a stylish, one-of-a-kind statement.
