## Glittered Glass

A distinctive glass surface enhanced with delicate metallic glitter embedded within the glass, creating a captivating sense of depth and dimension. The combination of mirror laminated glass and patterned glass introduces a refined tactile quality, transforming wall surfaces into sophisticated design elements that add a touch of luxury to every interior.

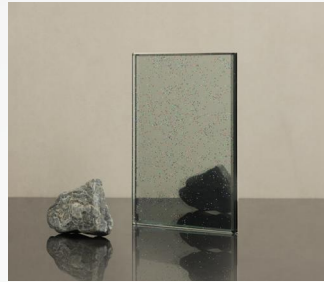

### Product Specifications

|                                                                                                                                                                                                    |                                                                                                                                                                                                                                                                                                                                                                                                |
